| Assignee: | patryk | |
| Category: | hscld | |
| Description | | |
| inf says this is a nice tool: https://kubernetes.io/blog/2016/10/tail-kubernetes-with-stern/ | | |
| We should install it to \$PATH on tools/install.sh. | | |

History

#1 - 02/08/2021 07:34 PM - q3k

- Status changed from New to Assigned

- Assignee set to patryk

patryk, you've recently messed around with Gazelle, would you like to take a stab at this?

#2 - 07/04/2022 01:08 PM - q3k

- Category set to hscld
