matrix.hackerspace.pl: PMs are disabled on this bridge over federation

10/03/2021 08:24 PM - q3k

Status:	New	
Priority:	Normal	
Assignee:		
Category:	hscloud	
Description		
As in the subject, people from non-hackerspace.pl servers (eg. matrix.org) cannot DM people over appservice-irc by just tapping their name.		
We should either enable this, or redirect to libera's bridge?
