History

#1 - 01/18/2023 05:23 PM - q3k

- Subject changed from k0: refresh certificates August 2022 to k0: refresh certificates Apr 2023

#2 - 01/18/2023 05:23 PM - q3k

- Description updated

#3 - 04/01/2023 01:56 PM - q3k

- Status changed from Assigned to Resolved

We have replaced all certs with Ed25519 certs that never expire.

Hopefully this means that cluster doesn't need any more stupid babysitting like this.
